

SABHY CERTIFICATION
FEE STRUCTURE APPLICATION FEE

ASSESSMENT FEE :-

A Sabhy assessment fee will be charged based on the complexity of the product/service and the scope of the assessment.

The assessment fee will be communicated to the applicant upon review of the application.

INSPECTION FEE :-

If an on-site inspection of the applicant's facilities is required, an inspection fee will be charged based on the location and scope of the inspection.

The inspection fee will be communicated to the applicant prior to the inspection.

CERTIFICATION FEE :-

Upon successful completion of the assessment and inspection, a Sabhy certification fee will be charged.

The certification fee will be based on the complexity of the product/service and the scope of the certification.

The certification fee will be communicated to the applicant prior to issuance of the Sabhy certificate.

RENEWAL FEE :-

A Sabhy certification renewal fee will be charged for each renewal application.

The renewal fee will be based on the complexity of the product/service and the scope of the renewal assessment.

The renewal fee will be communicated to the applicant prior to the renewal assessment.

Please note that these are just sample fees and should be reviewed and modified by your Sabhy certification body as needed to suit their specific requirements and standards.
